

MY BUSINESS is selling FARM MACHINERY YOUR BUSINESS is to SAVE MONEY

I am conducting my business in such a way that it helps your business. So many people are sending away for things, and paying more than I charge for the same or a better article right here, that I am going to ask you now, for your own good, before you buy anything for the farm,

"GO AND SEE ALLEN"

As the season begins, and you want to do sugaring. I have Sugar Rigs in stock, the famous "Monarch," and can give you the best prices on Buckets, Spouts, Sugaring-off Rigs, Hauling Tanks, etc., etc.

"GO AND SEE ALLEN"

Do you need a plow? I have all the kinds in use, and the best makes in America. Sulky Plows, Wood Beam Plows, Steel Beam, Sub Soil, Shovel Plows, and every one warranted. When you find that you must have a new one,

"GO AND SEE ALLEN"

I want your trade, and I am going after it harder this year than ever before. I have the goods, and the prices, and it is just exactly as much for your interest as it is mine when you decide to,

"GO AND SEE ALLEN"

It makes no difference what the thing may be that you want, from a Harrow to a Wood Saw, from Wire Fencing to Ready Roofing, from Planters to Diggers, from Seed Sowers to Harvesting Machines, from Truck to Top Buggies, from Crop Insurance (and that means good Fertilizer and Machines to work the ground, and Spraying Outfits to keep off rust and blight) to Life Insurance in a first-class company. When you want it, and want to buy it right,

"GO AND SEE ALLEN"

Make it the watch word this year, and see if you are not the gainer by it.

"GO AND SEE ALLEN"

I have studied the farm machine business and the needs of the farmer from a practical standpoint for years, for I have my own farm to carry on, and am up against the same problems that you are, and I am no hog—there isn't a single bristle on my back and you mustn't think because you

"GO AND SEE ALLEN"

that you must buy from him. I want to get acquainted with you and learn from you, and you must be a queer fellow, indeed, if we can't get a point or two from each other; and I give you my word of honor, that if you will

"GO AND SEE ALLEN"

there will be less of your money go out of the country, to Chicago and other places, for I will give you better goods and better prices, and when you need repairs you know where to find me.

I have the largest stock of Machines that was ever kept in Barre, and if the thing you want is not in that stock I can get it for you in quick time, for every manufacturer I deal with has a factory or a transfer house in some nearby city, so I can get prompt shipments, and that means a good lot to you if you break a machine just when you need it most, for you don't have to wait all summer for the new part to replace the broken one.

And to conclude, I want to say once more, no matter what you want for the farm,

"GO AND SEE ALLEN"

A. W. ALLEN, Barre, Vt.

"I was Crippled, could hardly walk and had to Crawl down stairs at times on my hands and knees. My doctor told me I had an acute attack of inflammatory rheumatism. I was in the hospital for weeks, but was scarcely able to walk when I left it. I read about Dr. Miles' Nerveine

bought a bottle and began to get better from the start, and for the past six months I have had scarcely any pain and am able to walk as well as ever." J. H. SANDERS, P. O. box 5, Rockaway, N. J. Few medicines are of any benefit for rheumatism, but Mr. Sanders tells plainly what Dr. Miles' Restorative Nerveine did for it. One ounce of salicylate of soda added to one bottle of Nerveine makes an excellent remedy for rheumatism, which is now known to be a nervous disease and therefore subject to the influence of a medicine that acts through the nerves, as does

Dr. Miles' Nerveine

Sufferers from rheumatism seldom fail to find relief in the use of Dr. Miles' Nerveine, with salicylate of soda.

Sold under a guarantee that assures the return of the price of the first bottle if it fails to benefit. At all Druggists. MILES MEDICAL CO., Elkhart, Ind.

MONTPELIER.

Cyrus Bagley, Former Resident Here, Died in Hartland.

A daughter was born yesterday to Mr. and Mrs. Thomas Short.

A daughter was born yesterday to Mr. and Mrs. E. A. Knapp.

Cyrus R. Bagley, a former resident of Montpelier and a member of the lodge of Odd Fellows and Thomas Wiley, deceased, died Wednesday in Hartland. His funeral will be held in the Methodist church of that place on Monday. For some time during Mr. Bagley's residence here he was employed by the Lane Manufacturing company and later conducted a repair shop off Main street. He was a veteran of the Civil war and a member of the First Vermont cavalry. His age was 65 years. Two sons and a daughter survive him.

Rev. Stanley F. Blomfield is constructing a unique portiere. It is to be composed of 1,000 or more small shells strung on string cord. The shells are of a beautiful gold and silver color and were picked up on the Connecticut coast by Mr. Blomfield. When finished, the portiere will be both useful and very ornamental as well as an original design.

The city hall committee is trying to reach some estimate of the amount of money needed to complete the building and furnishings. It will probably be from \$12,000 to \$15,000. Steel furniture, filing cases, etc., will cost in the vicinity of \$3,500 and the terrazzo floor in the auditorium will be \$1,400 additional.

GRANITEVILLE.

AMUSEMENT NOTES.

Bargain Counter Prices at Barre Opera House Saturday.

Bargain counter prices will prevail at the opera house when Phil Ott and his merry comedians come for an engagement of one day, matinee and night, next Saturday, in the musical comedy

whirlwind, "The Explorer," a satire on the recent controversy over the dash to the pole.

Every line in this vehicle is brimming with laugh-provoking absurdities, which are accentuated by Mr. Ott as only an Ott with the Ott originality is capable of doing.

Those who enjoyed the work of this favorite last year can appreciate the statement that he makes his audiences fairly gasp for breath with the continuous convulsions of laughter he compels from start to finish.

This show is specially mounted with new and elaborate scenic settings. The various numbers are all handsomely costumed, the music is of the ringing, catchy order, and the dances sparkle with deft touch that accentuates the delicate lines and curves in the most fascinating way, adding to the many charms of these excellent productions.

A Fierce Night Alarm

is the hoarse, startling cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin of Manchester, O. (R. R. No. 2) for their four children were greatly subject to croup. "Sometimes in severe attacks," he wrote, "we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, hay fever, a gripe, whooping cough, hemorrhages fly before it, 50c and \$1.00. Trial bottle free. Sold by the Red Cross Pharmacy.

Stop Hawking

Breathe Pleasant Hyomei and Get Rid of Catarrh.

Soothing, healing, Australian eucalyptus combined with thymol and other bactericidal antiseptics—that's Hyomei. A complete outfit, including hard rubber pocket inhaler costs \$1.00. Pour a few drops of Hyomei into the inhaler and breathe it.

It gives instant relief because it gets right to the inflamed parts. It kills the germs and heals the sore spots. Hyomei (pronounced it High-o-mei) is guaranteed by the Red Cross Pharmacy to cure catarrh, coughs, colds, sore throat, croup and asthma, or money back. Extra bottle Hyomei costs but 50 cents.

The easy way to wash clothes.

Take a cake of Lenox Soap, cut it into small pieces and dissolve these in three quarts of boiling water. Keep at boiling point until a solution is formed.

This solution will do better work than soap—and without any waste.

Rub the soap solution on the soiled parts, fold and roll each piece separately, pack in a tub, cover with warm soapy water, let stand over night, and in the morning you will find that the really hard work of washing—the rubbing on the washboard—is not half as hard as usual.

After the degree work, a program was presented, consisting of readings, music and discussion of the question, "Resolved: That the hill roads of Vermont should be improved instead of building trunk lines." Forty-two members from Orange grange were present, as well as visitors from five other granges. Refreshments of cake, doughnuts and coffee were served.

Cause and Effect

If your hens don't lay eggs in winter, don't look for the cause. Hens don't naturally lay many eggs in winter. You must give them a cause to lay, and progressive poultrymen tell us they have never found any cause equal to our Poultry Foods.

BEEF SCRAPS CRACKED BONE EDIBLE BONE MEAL BONE AND MEAT MEAL

The inevitable effect of their use is eggs a-plenty—eggs to sell when prices are high. The rate at which the sale of Burlington Poultry Foods has increased in the last few years and the words of praise we constantly receive is conclusive proof that our Foods contain what the hens need.

If your dealer can't supply you, we can. **BURLINGTON RENDERING CO.,** Burlington, Vt.
